More Voter Information

The County Clerk is the chief election authority administering elections throughout McHenry County . They offer election-related services to candidates, political parties, press, local units of government and the general public. Those services include voting by mail programs, early voting, and securing voting sites. Other services include recruitment, training and scheduling election judges and election workers, as well as election night tabulation of results and conducting the official canvass of elections.

Residents can register to vote after May 31 at the clerk’s office, at an early voting location or their local polling place on Election Day. To register to vote, you must have two forms of identification with at least one showing your address. If you are already registered, an ID is not required to vote.

Early voting began on May 19 and will continue thru June 13 at the McHenry County Administration building after which another 10 locations will open. Call the Clerk’s office or go to countyclerk@mchenrycountyil.gov
